Hinton offers a variety of opportunities for both clergy and laity to learn new skills, to network and fellowship with others, and to experience the renewal of a time apart.

Led by Hinton staff and by faculty from across the country, these events cover a wide range of resources for smaller membership and rural church ministry, including:

- Cooperative ministry training
- Pastoring the smaller membership church
- Hispanic Ministries Gathering/Reunido
- Mission Volunteer Program
- Local Pastors' training
- Rural Community Drug Prevention
- Affordable Housing Ministry
- Christian Education and Sunday School ...and much more.

Spiritual Formation

Personal meditation and study retreats are available at Hinton for pastors and laypersons. We have cottages available for small groups and hermitage houses for individuals.

The First Parish Project is a program of ministry education and peer support for first time pastors under the age of 35 and serving a small membership church. The participants will meet for six weeks over 2 years for learning, worship and colleague support

Mission Volunteer Ministries

Hands-on mission work is a large part of Hinton's ministry. Work opportunities are available all year both on site at the Hinton facility and/or in our community. Whatever your skills, you can serve your neighbor and give substantial help where it is needed most.

Summer Missions for all ages offer life-changing experiences and relationships for work teams from all over the US. Rebuilding unsafe or substandard housing or building new homes for low-income, elderly, or disabled neighbors here in Appalachia makes a tangible difference in everyone's lives.
