THINKING BEYOND THE WALLS: WHO IS OUR NEIGHBOR?

Your Congregation's Market Place

Draw your community on flip chart paper. Go out one, two, or three miles or to where there are natural boundaries. Include major streets, shopping areas, municipal buildings, businesses, schools, and other churches. Include natural resources like forests, lakes, mountains, etc.

Answer the following (guess):

- Who is our neighbor – describe?

- What needs are currently being met?

- What do they need?

- How do they see us?
