I agree to and understand the following when applying for and receiving help from Hinton Center:

1. I understand that submitting an application does not guarantee that my home will be repaired.
2. I understand that everything requested on my application may not be done to my home.
3. I agree to have someone present at my home while the work is being done, unless prior arrangements have been made with Hinton Center staff.
4. I understand that sometimes a Hinton Center group may start a project but because of uncontrollable circumstances may not be able to finish. I also understand that Hinton Center will try to have agreed upon work finished if at all possible.
5. I understand and agree that restroom facilities will be made available by me in my home for the work group members while they're on-site, unless other arrangements have been made with Hinton Center staff.
6. I understand that any used project materials are the property of the Hinton Center and will not be left at my house, except for some paints and stains.
7. I understand that pictures may be taken at my home by the Hinton Center / work teams and may be used to promote the mission of Hinton Center.
