

Zoom Activity – Perspective

One example: <https://odnchicago.org/wp-content/uploads/Zoom-Team-Building-Activity-Guide-1.pdf>

Questions we ask:

- How easy was it to understand the full “picture” by only looking at your card?
 - Relate to how we oftentimes only see part of someone’s story.
- What would happen if some of the cards were missing? Would we be able to get the complete story?
 - Relate to the Body of Christ – we all have gifts and talents to share.
