

## Hinton Missions Outreach Group Roster & Travel Info

You may need to subdivide your group into “small groups” – this will be based on number of participants and your vehicles. Each small group will be *assigned a color* for identification purposes. This will be your group(s) for the week – no substitutions. We will coordinate meals and activities according to your small group. Your small group(s) will need to ride in the same vehicles all week and will be working together, and lodging in the same spaces. Please look for signs with your team color and listen for announcements by team colors. We recommend at least two adults per small group. It is important to keep small group members together and not substitute in case we need to do contact tracing/ quarantining / etc. If you have questions, please contact Dawn ASAP.

Please list EVERY participant (youth and adults). **Please list adults FIRST**. Use additional sheets as necessary.

<b>Group Name:</b> _____				
<b>Mission Dates/Summer Week #:</b> _____				
	Preferred Name	Age	Gender	Other Information (please indicate if folks can lodge together)
