

# Wanted: College Students Interested in Servant Leadership!

## COME WORK WITH US THIS SUMMER

Seeking young adult leaders for our summer missions program.

Come and

- live out your faith
- build formative relationships
- serve
- lead groups in home repairs, firewood and garden ministry
- facilitate programming both on and off the worksite
- have fun!

HINTON RURAL LIFE CENTER is an agency of the Southeastern Jurisdiction of The United Methodist Church and is located in Hayesville, NC, on scenic Lake Chatuge in the Appalachian Mountains. We are committed to improving the long-term quality of life in our rural mountain community through Safe & Healthy Home Repair, firewood and garden ministries, and equipping/training initiatives. Every summer we host mission teams from across the Southeast (and beyond!), giving them an opportunity to learn about rural poverty, serve and “walk alongside” our neighbors in need, worship, experience our mountain culture, and HAVE FUN! We employ and train a staff of college-age young adults to provide leadership, both on work sites and on campus (programming and worship).

This is a paid position, with lodging and most meals provided. For job description and online application, go to [www.hintoncenter.org/about-us/nonprofit](http://www.hintoncenter.org/about-us/nonprofit) . APPLY BY FEBRUARY 15!
