MINISTRY/PROJECT IDEA OR ISSUE I'M PASSIONATE ABOUT: *Over the course of the weekend Academy, you'll get to work on a ministry or project – let's call it a "Fruitfulness Project" -- that addresses a concern or issue or need you feel strongly about. So, briefly describe that idea or inspiration you have for a project/ministry that would help others in some way. Maybe it's just a problem you see in our world – or your community – that breaks your heart or something you feel God's calling you to do something about, even if you're not sure what that is. Limit 200 words.*

ADULT MENTOR(S): To participate in Hinton YouthLead Academy, you must be accompanied by one or two adults from your church who can serve as your mentor(s). Consult with your youth leader, pastor, and/or parent/guardian as to who might be a good mentor for you. He/she will participate in the workshops, worship, and reflection times with you. Ideally, this is an adult who:

- You admire and respect, enjoy being around, and are comfortable talking with.
- Is a member of your church.

- **Is a leader** – either in his/her positions at work, in your church, and/or in community organizations.
- Is able to participate in the entire Academy with you and mentor you through the completion of your “Fruitfulness Project.”
